عني:

A glamorous girl with a bewitching sight and magical attraction. She is very communicative and friendly, likes to make new contacts, exchange views and discuss. She is a skilful diplomat and there is no problem for her making compromises. She likes to learn, expanding your horizons, meet new cultures and traveling very much. She is a favourite, optimistic girl who has great media capabilities and a rich imagination. She can take any role well and quickly orient herself. She is very loyal and reliable. She can keep your pride and independence and appreciates freedom that also provides her loved ones. Acting helpless and innocent, but inside hides an extremely developed instincts and sexual desire. Easily flares up. She is romantic, sensitive and capable of deep empathy. She has a special charisma and knows how to impress almost everyone. When you meet her, it will be hard to leave and you will desire to be close by her and quickly return to her. This girl is the older, the more beautiful and deep down, she is and will be always young.
