আমার সম্পর্কে:

My name is Sophie, I am a designer and escort from Paris.

I like traveling the world. I am honest, hard working, positive and cheerful, my voice is beautiful and I will satisfy your wish for a real woman. My sexy body is fitness trained and most of my time I like to wear elegant designer dresses.

If you want to spoil me, Agent provocateur, La-Perla and Bordell are my favorite lingerie designers.

With me, you will have fun, satisfaction guaranteed! I will make your dreams come true...

DUO with Suzi possible.
