Über mich:

Let me stimulate your mind, and your body, over dinner perhaps, followed by a sensual encounter with a true Australian courtesan reeking of sophistication and sensuality.

My name is Rene Joile. I am an Australian mature lady, flying through your city for only a few nights at a time. Lets make a connection via whatsapp or email and set aside some time to enjoy each others company before I jump on that plane again.

You will find me in a 5 Star hotel, in Central.

(ask me for updated photos)

I am a private lady, and respond to my own emails and messages, so please be patient when awaiting a reply, as I cant do so always instantly. Thank you x
