La connaissance des langues

Langue: Anglais

À propos de moi:

One who takes pride in providing the most tantalizing experiences one can imagine and leaving you satisfied and happy. All too often we can get caught up in the daily grind that is modern life. Taking a break to revel in the finer things can recharge your batteries and make everything that much easier. I'm currently located in Sydney, Australia and will be here for the next two months at least. If you would like to get in touch and see what an incredible temporary girlfriend I can be please fill out the form on my contact page.

If you're wondering what kind of woman I am and what kind of things I'm into and what to expect on a date with me.... it's hard to say because I treat each client differently and only hope to bring a unique experience to each by giving every gentleman I meet my fullest attention. I like to have my boundaries respected, however, I'm definitely not a clockwatcher and want our time together to feel natural instead of rushed. Please keep this in mind and try not to take advantage of my giving nature
