मेरे बारे में:

I am a beautiful young lady with a gracious nature who is available in Paris.

Extremely feminine and elegant, I am a perfect girlfriend for dinner dates and travel companionship.

Our time together will be unforgettable. I speak fluent English.

Although I am young, I have traveled extensively, and I am quite mature-minded.

Active, fit and happy I enjoy art and literature.

I love dinner dates, overnights or longer, GFE and sensual massage...

I am sure to show you a great time! Definitely a VIP on every level.

If I don't pick up the phone just text me the message to call /write you back.

P.S. I don't send any extra photos. This is my private advert and I am the girl in the picture.
