मेरे बारे में:	

If you are looking for that little something extra then our gorgeous Elly is the one. This Brunette babe is what you'd expect to see on the cover of a Playboy Magazine. With a tight slender body, and gorgeous dark locks, she is definitely your "top-shelf" kind of girl.

Acting cute and perky upon meeting, she will quickly transform into a confident, seductive play-toy who will always keep you entertained. She will encourage you to lose your inhibitions and fulfil all the pleasure you desire from a woman. Feel her big juicy lips intertwine with yours, as you give her derriere a cheeky pinch!

Impeccably presented from head to toe, Elly is the perfect choice for a man who needs to a night of hot sinful passion.
