Hello, my name is Tara. I am so happy that you are taking the time to read this to get to know more about me and I really hope we will meet soon. When we do meet you will find that I am a very fun and passionate woman so we are sure to have a great time together. I am spontaneous and very sexually adventurous so please prepare for a very wild ride!

I have a very kinky side and am known as a real nymphomaniac as I really do enjoy having sex. Sexually I very much enjoy most things involving sex including anax sex, bondage, domination, submission and I even have played around with water sports and have done hard-sports. Fixting even as long as not too hard as I'm into almost everything as long as it's not too painful. About the only thing I'm not into is sharing so I only go 1-on-1 with no other women or men in the room—just me and you.

I also have a strap-on and enjoy doing the guys I am with so that is something we can try if you'd like to experiment with that. I promise you'll experience an orgasm unlike anything you've ever had before with my strap-on deep inside your ass as I stroke your cock.
