Over Mij:

My name is Yeliz. I am 26 years old pretty blonde Turkish female escort lady living in central Istanbul. I am 170 height and 57 weight with a very sexy figure..

I am visiting gentlemen who staying at 4* and 5* hotels at Istanbul European & Asian sides (Outcall). I do not have a personal place and do not provide incall services.. only visiting hotels which allows visitors at rooms.

I am beautiful and sophisticated escort lady available for an exclusive date in Istanbul. If you are looking for a lady with a physical beauty, sensuality, sexappeal, sophistication and class, then your search might become very challenging. The combination of a stunning apperience, good sence of humor and a mature mind is indeed very rare. I have an interesting profession, and a busy social life, but I do enjoy erotic, this touch of a disreputable and my secret rendez-vous.

See you.. Yeliz
