Georgie is a stunning English Escort that definitely has the wow factor. Blonde hair, blue eyes, 32DD bust and magazine cover good looks, add all that to her desire to please and you have a mind blowing date to remember!

I am an educated and extremely independent and ambitious woman with my own business. I'm discreet, and well-mannered with the ability to put people at ease; I particularly enjoy listening whilst you express your passions and desires. My strengths are in my ability to make people feel as comfortable as possible. Georgie has a wonderfully pleasant and easy-going personality that puts everyone in her company at ease, she is very caring and a great listener.
