Over Mij:

SETSUKO her personality is definitely one of those things. SETSUKO is a person that learns quickly and is eager to experience new things. She comes from FUKUOKA but she is able to speak English, This lovely girl is also smart and humorous. That gives her ingenuity and that is one of the reason why she is so amusing. She always comes up with some crazy ideas that somehow are so enticing that you will also want to experience them. What is more, you will be happy that you let her convince you to take part in those activities
