Hello, I'm Etan. I am young and well educated man.

Even though I might seem shy at first, I am truly interested in meeting new people.

About me... mmmm I am French, I moved to Montreal for the second time in a year. I speak both French and English.

Depending on what you are looking for with me, I can offer you some fun, a boyfriend experience

(meaning having diner together (I love cooking by the way !), going to the movies or whatever pleases you) or we could even travel together !
