About Me:

Hello! My name is Amanda and I am an independent luxury companion based in Budapest.

I am delectably sweet on the outside, decadently lascivious on the inside, an experience with me will leave you feeling utterly satisfied, yet yearning for more...

I am in my mid-20's, 173 cm, and 55 kg with long ash brown hair. I take great pride in staying fit and keeping my skin soft and smooth. My pouty lips and long legs accentuate my sultry physique so you'll find me to be a delicious bit of eye candy for your aesthetic enjoyment.

My charm, intellect, wit and beauty make me the perfect companion, particularly for extended dates and private travel excursions. I pride myself in being the perfect companion for the man who desires an indulgent experience over an impersonal "service." You can always expect my complete devotion and attention during our time together.

My companionship is for the discerning gentleman who expects no less than the complete package, I look forward to being your most satisfying indulgence!

Kisses:

Amanda

### **Services**

I think acronyms are icky and if your goal is to check off as many as possible off your list during our date we are absolutely not compatible! I offer an experience, not a service.

Additionally, I prefer the company of discreet and respectful gentlemen that are selective. I prefer to experience a sexy, lasting friendship and am not a fan of the "hit it and quit it." I understand that everyone is different and would love to get to know you prior to meeting in person.

### **Appearance and treatment**

Advanced booking is greatly appreciated and highly recommended. The donation for our arrangement should be in an envelope and left in clear view for me to see upon my arrival. Never make me ask for

it.To fully enjoy a meeting, you must be freshly showered, well-groomed, smell nice, and have minty-fresh breath. Please be respectful and always be a gentleman. Your kindness, generosity, and chivalry will be appreciated and rewarded.The donations are for the time and companionship only and they are not negotiable. Please note that I can not honour with extra time your accidental delay. I'm a human, so it can happen that you are not on the same page in person with the lady you have booked. In this case, please, let us know and pay her taxi cost (40 euro).
