About Me: Tori is a delightful young submissive Birmingham escort with a fabulous busty physique measuring in at a mouth watering 34E. She loves to show off her boobs in tight or low cut top in a tantalizing and teasing way, displaying what you may be playing with later. This divine young submissive escort likes her partner to take the lead in almost everything, even on a social drink with suggestions of what she should do. In the bedroom this is more pronounced

as she enjoys being subservient with her partner deriving pleasure by taking the lead or using her as willing plaything for gratification.
