About Me:

JURINA is a natural Japanese beauty which is hard to come by in TOKYO. With a perfect complexion, plump lips, striking black eyes, flowing black hair and a great figure, she is everything and more that you could wish to want from a Japanese model.

As one of our latest Angels, JURINA is located in TOKYO central and is in high demand. A party girl at heart, JURINA is perfect for every situation you could dream of, enjoying partying, getting naughty in uniforms and even treating her dates like Kings during a GFE.

Gents, you know like I do, girls like this do not appear in TOKYO all the time, so you need to act fast to experience the date you've been longing for.
