Hello perverts and subbies. My name is Master James, I'm a 28 year old Dom. I'm a heterosexual male pro-Dom. I'm into BDSM and specifically my purpose as an Alpha Dom. I've got 8 years experience in BDSM play as a Top/Dom. I really fucking enjoy what I do - I've been doing pro-Dom for about a year now, and I plan to do this forever, basically. Dom for me is a way of life and a way to help submissive people (genderfluid, male, female) enjoy a better quality of life, feel acceptance, and use my power to

encourage higher self-esteem and growth. In my personal life, I seek to be my best person. I enjoy good food, healthy routines, workouts, swimming and reading. I am an authentic, kinky Dominant personality. My inner peace overrides anything i do in the realm of kink and BDSM. I am not a sadist with a taste for the infliction of pain and damage without a deeper understanding of my slave's fantasies and mindset. Here's my schtick: I offer safe, sane, consensual BDSM sessions. My schedule is flexible but I prefer to do 1 - 2 sessions max a day, and in the evening. I require 24 hours notice ahead of time and I do not rush sessions - it is sacred time between my submissive and Myself.

I host in Downtown Toronto in my private play space.

My main areas of interest are bondage, Domination/submission power exchange, pet training, foot worship, boot worship, muscle worship, prostate massage/anal play, orgasm control, humiliation, spanking/flogging/caning. Please note, I do not offer sexual services - sex/oral giving or receiving, this is non-negotiable. I understand this a website for primarily gay escorting, and my services are somewhat niche. But whatever, fuck it! Keep on rollin'

To engage me, I request that you send me a detailed, concise message containing your availability, your ideal scene, your limits and a bit about yourself if you care. Discretion is my mandate
