Обо мне:

I don't even think about myself as an escort I enjoy being a companion, to share mutual trust, affection and respect with the man I date...

I prefer to spend time with a gentleman who is both selective and sophisticated. I'm eager to meet a successful, affluent, executive man with a sense of humour, who knows how to treat a woman. I expect to be respected, gentlemanly behavior is appreciated.

My style is natural and fresh... but I always wear a friendly \*ile, being initially gentle, sweet, attentive, easy-going. If you decide to meet me, you will find a beautiful companion.

Best regards
