Hakkımda: Sandy is the beach girl wherever she goes. She is like one of those California girls that has been up playing in the mountains and has come home to the 100-degree weather. There is nothing that does not scream fun in the sand about this girl. From the moment that you meet her, she will be the girl of your dreams.

Whether it is beach bunny time of year or snow  
bunny, this is the girl  
that will make it happen.
