Hakkımda: Hey there! I'm Ludovica, young Exclusive Top Class Escort and Travel Companion, the girl-next-door with a bright smile and playful nature.

I'm very pleased you have arrived here. This is where you will learn more about me and the endless possibilities for our adventures, get a glimpse of my delicious curves, and pleasantly daydream before getting in touch with me. You might be captivated by all of the visual delights, but I reassure you, the virtual introduction is only the beginning.

If you're in search of Exciting Elite Companionship

of a Rare, Classic yet Intoxicating young girl, you've come to the right place. Please take your time exploring and hopefully I'll meet you very soon.

I seek to be not only different from your average companion or call girl but I desire for our experience together to be unparalleled. I am less interested in a purely transnational experience.

Given that, I prefer to keep a few admirers close who are interested in genuine, fun, stress free meeting that may be on going. I prefer not to cater to the masses and stay EXCLUSIVE.

I sincerely wish for us to share not only intimacy but affection, stories and experiences. Often smiling, I am the sort of woman who creates a subtle yet fervent stir when I walk into a room.

Envision a beautiful young woman who moves with grace and poise across the room. Her long black tresses bouncing lightly in the small of her back. Her soft tanned skin glowing from head to toe, accentuating her taught firm curves. She looks your way, and before she turns, you glimpse the most delightful of smiles to cross your path in quite some time. In an dream world, you would be able to take in the sunshine everyday, and relax with this beauty on the beach with nothing but ease.

Escaping with me is the perfect way to breath life into this fantasy. My exhilarating spirit and playful personality will allow you to indulge in all the leisure one can handle. You'll find that I'm quick to laugh, witty at the right moments and very passionate. My youthful glow and long tresses add to my girl-next-door appeal.

I stand 5'6", with green eyes, and very kissable lips. My workouts keep my body firm and taught while still maintaining my delectable curves.

I tend to visualize myself as being more passionate and sensual than most. My vigorous training in the gym and dance studio keeps me in-tune and

in-balance with my body. Apart from the fantasy, I'm a laid-back, easy-going young woman. I'm very much an adrenaline lover, enjoying a heart-pumping rush at every chance. I also have a true appreciation for architecture and fine art as well. There is something almost magical in the way beauty manifests itself in the physical tangible form.

You may notice I possess an unquenchable thirst for knowledge and new adventures.

If there is something you have always wanted to try that you would like to share with me, I'm sure I'd be thrilled to join you. I can't wait to be in your company
