Hi there,

very nice to meet you. I guess the first thing you wonder when you see my pictures is "Wow, why she has the body painting"??? Yeah, I bet it?s not very common. I love art, which I studied at high school, it?s just my way to appreciate it and to express myself. every single one of them has their own story and meaning to me. I could tell you about it while enjoying glass of red wine :-).

I am easy going, funny, sporty person even though not profesional, just like doing it for fun, such as kiting, snowboarding, snorkeling, hiking, horse back riding.... Love to go to the theatre, concert, art gallery and one of my favorites it?s my motorbike.

I am passionate and I enjoy intimate games. I like it hard and strong even with a handcuffs or blindfolded or slow and affectionate full of soft touches. Meet me, you won?t regret it.

I am a non-smoker. I have no implants.

My favourite cousine is Asian and Greek combine with a glass of red wine.

I am happy to meet you almost worldwide.
