Hi, my name is Agata.

I am a sexy brunette with sparkling brown eyes and delightfully beautiful body, with a vivacious playful nature, gorgeous looks and fun-loving personality, I derive enormous pleasure from offering a sensual discreet companionship to gentlemen in Sofia. On our date I will treat you as a desired lover rather than a client. I like taking our time slowly without rush over a glass of wine with good conversation creating a romantic atmosphere with my sensual and seductive presence. As a very naughty and playful lady I am very open to your suggestions, if you have a fantasy or naughty role play in mind, please let me know, I will try my best to please you.
